Plains

TIELT

27 new colours making a total of 48 hues to our heavy weight double width linen. Tielt now boasts an incredible array of soft muted and pastel tones in addition to our vibrant statement colours.

DRAKE

32 exuberating colours in a multi-purpose plain with an incredible 100.000 cycles.

TRESCO

39 exhilarating colours in a lambswool-like plain with an incredible 100.000 cycles.

STONE

38 contrasting colours in a two-tone yarn linen blend. A natural fabric which works perfectly for both curtains and upholstery.

THORNEY

A chunky luxurious crushed velvet in 33 colours. Boasting 90.000 cycles and a stain repellent finish.

HAYLING

23 marvellous tones in a structured jacquard with a cheviot apparel look. A luxurious semi masculine fabric that works for curtains due to its beautiful finish and also upholstery due to its high rub count.

SKYE

A slubby chunky chenille yarn woven into a structured linen warp creating a truly magical textured plain available in 12 colours.

PORTLAND

Reminiscing an animal fur, this beautiful structured boucle plain is ideal for upholstery and is available in 26 sophisticated tones.

Patterns

SUZANI FLOWER

Flowers taken from an antique Suzani Rug and recreated in our linen print. Available in two colour variants.

MERCURE

Developed from our wallpaper Maia and printed on linen. Available in 5 vibrant Mediterranean colours.

EUCALYPTUS

An extract from a design created in gouache on paper around the mid-19th century. We have honoured the technique and used our weakness for the Eucalyptus plant to create this linen print available in 6 colours and also as a wallpaper.

DANCING JUNGLE

Following our trend for oversized prints, colourful hand painted animals dance between swaying foliage in a full-width pattern printed on a linen blend base cloth. Available in 3 striking colours and also as a wallpaper.

JUNGLA MÁGICA

A smaller version of Dancing Jungle with colourful hand painted animals dancing between swaying foliage in a pattern printed on a linen blend base cloth. Available in one colourway.

CASPIAN

Inspired by ancient ikat weaves in butterfly like formation printed on a linen blend and available in 8 incredible and dazzling colours.

IKAT STRIPE

A stripe formation created by bands of small ikat dots printed on our linen base.
